

Characteristics

- Economic convenient power solutions
- Clearly legible work status display
- Built-in high-capacity AGM battery
- USB charging and LED lighting
- High efficiency high power inverter
- Easy to carry and quick installation
- Reliable performance, simple operation

Application

Widely used in remote mountainous areas, farms, forest farms, small islands, the countryside, where there is no electricity in the grassland or areas which lack of electricity supply.

Warranty

SW-SHS series products adopt the industry's most advanced technology standard production, strict quality control and layers of test, to ensure the each system of high quality, high reliability.

One year product warranty.

We provide customized system, OEM &ODM service.

Technical Data

Model No.	SW-SHS050W-AC	SW-SHS060W-AC
Solar Panel Power	50Wp	60Wp
Battery	396Wh	456Wh
Controller	5A/12V,PWM	5A/12V,PWM
Inverter	300W	300W
Lamp Power	3W*3 Pcs	3W*3 Pcs
Output Voltage	DC12, DC5V, AC220/230/240V or AC100/110/120V	
DC Outlet Socket	DC12V Socket *4Pcs, USB Output Socket *2Pcs	
Max. Charge Current	5A	
Max. Load Current	5A(Total)	
Protection	Surge, Reverse polarity, Overload, Short circuit ,etc.	
Operating Temperature	Discharge: -20℃ ~-50℃, Charge: 0℃~50℃	
Type of protection	IP22	
Power Box Size(L*W*H)	275*160*260mm	280*200*275mm
Power Box Weight	12Kg	15Kg

Note: The specifications are subject to change without notice.

System Components

Solar Panel and Cables	Power Box	Lamp Cable and Lamp
